

Bucket Boss Parachute Bag

RBB25001

Details

The Parachute Bag is a soft-sided parts organizer and tool carrier in one, organizing small parts, irrigation supplies, etc. into 19 pockets - 13 exterior; 6 interior. Constructed of reinforced Poly ripstop fabric pockets and bottom with 12 oz. Duckwear canvas dividers that allow pockets to conform and collapse as needed. Rip cord closes the top so you can stack 3 to 4 bags into most 5 gallon buckets; web loop handle for easy removal. 10"D x 6.5"H.
