

Bug Bam Mosquito Band - Pkg/2

RBB38107-2

Details

The Mosquito Band is scientifically tested and proven to repel mosquitos and flying, biting insects by releasing an all natural scent that camouflages the wearer. The mosquitos and insects cannot locate the person wearing the band and fly elsewhere to seek blood meal. The band is active for up to 100 hours. When not in use, the adjustable band should be placed in the re-sealable, vapor-barrier bag provided to extend the life. The snap on bands contain no DEET, no liquids, and are waterproof, sweat-proof, non-toxic, and non-irritant. Safe for children of all ages. One size. Black. Pkg of 2. Made in USA.
