

## Reelcraft Prem Ind Reels 3/8 50ft

### RC5650OLP

#### Details

The Series 5005 reel is similar to the Series 4000 and 5000 except it handles hose lengths up to 50 feet. The Quiet Speed latch mechanism offers quiet operation combined with latch cam technology insuring longer latching life and trouble-free performance. Reels are all-steel construction and compact for applications with critical space requirements. The standard low pressure hose is for air or water service only. The basic reel without hose can be used for air, water or oil. Consult R&R for other products and hoses. Four 5/16" (8mm) diameter mounting holes. Air/water hose included.

#### Specifications

|                       |              |
|-----------------------|--------------|
