

Scare-Eye Balloons

RP2008

Details

Scare birds away and keep away them away with Scare-Eye 3D balloon eye replicas that move with the wind. Nuisance birds like pigeons, crows, sparrows cardinals and other pests are intimidated by the bright-colored vinyl balloons in yellow, white and black. The large gaping mouth and Halographic eyes appear to be following the pest birds while blowing in the breeze. Effective where visible, up to 6,000 sq. ft. of open space. Easy to inflate, install or hang. Made of weatherproof vinyl. Includes strings, mylar eyes and mylar tails. White, Yellow, Black. Pkg of 3.
