

The Spot Micro Divot Dresser

RP726

Details

Repair divots quickly and easily. Designed with the same great features as the SPOT Ball Mark Dresser with the added capability to dispense more fill material for divot coverage. Simply point and push, allowing the chamber to fill, then lift and drag the tool forward to dispense correct amount of sand in the divot. Eliminates overfill.

- Same design as Ball Mark Dresser -- just dispenses more material
- Eliminates overfill
